

Abdulrahman Alhaidari

Medina, Saudi Arabia | +(966)533651847 | a.alhaidari1@outlook.com | [linkedin.com/in/a-alhaidari](https://www.linkedin.com/in/a-alhaidari)

Objective:

Highly dedicated to my current role and driven by a strong commitment to continuous professional and academic growth, I bring deep loyalty and devotion to any position I undertake. As a passionate IT graduate seeking to leverage a strong academic foundation and specialized skills in Windows and Linux cybersecurity to contribute to organizational security and professional growth.

Academic Qualification:

- Diploma of Information Technology - Networking, TVTC, November 2022.

Work Experience:

Receptionist at GOLDEN LUXURY HOMES HOTEL, MEDINA | Feb 2026 - Present & Feb 2024 - May 2025

- Utilized Nazeel, MyCloud, and Otel Premio PMS for check-ins, check-outs, and reservations.
- Coordinated large group arrivals and room allocations, ensuring a smooth check-in process.
- Performed end-of-shift financial audits, processed payments, and collected outstanding balances.
- Delivered exceptional customer service and elevated the overall guest experience.

Cashier at SAUDI BTA AIRPORTS FOOD & BEVERAGES SERVICE Co., MEDINA | Aug 2018 – Sep 2018

- Managed fast-paced cashier transactions in a busy airport food and beverage kiosk.
- Prepared and served hot beverages and snacks, ensuring quick service for travelers.
- Delivered swift customer service and maintained operational standards during a peak seasonal period.

Cashier & Sales Associate at Alqarrat Mall, MEDINA | Dec 2017 – Mar 2018

- Executed accurate payment processing and cash handling at the checkout.
- Assisted customers on the sales floor by locating items and recommending appropriate sizes.
- Maintained store presentation by folding garments, organizing merchandise, and ensuring a tidy environment.

Cashier at MANDARIN FOOD CENTER & BAKERY, MEDINA | June 2017 – Sep 2017

- Efficiently scanned merchandise and processed cash, card, and digital payments with high accuracy.
- Assisted customers with bagging items during peak hours to expedite the checkout process.
- Reconciled daily cash drawers and maintained accurate logs to ensure financial accountability.

Projects:

Advanced Persistent Threat (APT) Analysis & Research *(In Progress)*

- Conducting comprehensive research on APT injection techniques and certificate spoofing methods.
- Developing a customized AI-driven coding tool for cybersecurity analysis utilizing local environments

Wazuh SIEM Deployment & Sysmon Integration (Home Lab Project) | Aug 2022

Github: <https://github.com/D1HM/Wazuh-Sysmon/blob/main/wazuh-arabic.pdf>

- Deployed a Wazuh SIEM server on CentOS via VirtualBox.
- Configured Sysmon using SwiftOnSecurity for advanced event tracing.
- Modified ossec.conf to forward endpoint logs to the SIEM.
- Analyzed system anomalies and mapped threats to the MITRE ATT&CK framework.
- Authored step-by-step Arabic documentation for deployment and reproducibility.
- Technologies: Wazuh, Sysmon, VirtualBox, Windows, Linux, SIEM, MITRE ATT&CK, Log Analysis.

Skills:

- Adaptability & fast learning | Critical thinking & Problem solving | Attention to detail | Speed typing & accuracy.
- Technical Documentation & Visual Education: Creating step-by-step tutorials and motion graphics.
- Network hacking techniques & Port, vulnerability scanning.
- Firewalls - Virtual, Host, Network Wi-Fi & Network monitoring to spot hackers and malware.
- Identify online threats and vulnerability landscape, Perform threat modeling & risk assessments.
- Determine personal threats & adversaries | Build test environments in Virtualbox & VMware.
- Understand Windows, MacOS and Linux security & privacy features.

Certifications& Courses:

- English Language Program - University of Cape Town, ELC, 09 / June 2025 - 26 / Sep 2025.
- English Language Program - Technical and Vocational Training Corporation, May 2023 - Sep 2023.
- Emotional Intelligence, Future Road program - Misk foundation, November 2022 (2 hours).
